

## **WELCOME BACK Hearst Students, Parents and Families!!!!**

It is my privilege to serve as Dean of this great institution during a crucial and uncomfortable time. I look forward to a very positive and productive year together! I would like to extend a special yearlong invitation to our students as well as our student's families and parents whenever possible. I want our parents to know that we value your involvement and support in your child's education.

Your active participation is key to the success of our students as they participate in remote learning. Please know that we highly value home/school communication here at Hearst elementary school. It is vital and plays an integral role in each student's success. I encourage you to contact me if/when the need arises, and to stay informed about your child's grades, assignments, assessments, and school activities, as well as other events and happenings.

Again, I welcome you to Hearst elementary school and to our wonderful learning community. Here is to an AWESOME new school year as we work together to make our school a great place to work and learn each day!!!!

Sincerely,

Terry E. Bentley, M.S.
