

Dear Parents and Guardians,

Welcome to a new school year! I'm really looking forward to collaborating with you and working with your student! My name is Erin Wright and I recently graduated from Loyola University with a degree in Special Education and an Elementary Endorsement. I'm so excited to start my teaching journey at Hearst Elementary!

My primary focus for this school year is to provide an inclusive learning environment where each student feels valued, supported, and challenged to reach their fullest potential. My role is to recognize and build upon each students' unique strengths while supporting individual learning needs to promote growth in all areas. Throughout the year, your student will learn academic content while also working on developing important life skills such as completing tasks with independence, problem-solving, and self-advocacy.

The classroom will be a space for creativity, exploration, and hands-on activities where learning is fun and meaningful. Included is a school supply list to ensure that your student has the materials necessary to be best set up for success in the classroom.

Please feel free to contact me whenever you may have a question or concern. I can be reached by email at enwright2@cps.edu

I'm excited to work with all of you for a successful school year!

Ms. Erin Wright
